## On-the-Job Training Program (OJT) Employer Savings Opportunity

Learn how you can save 50% - 100% of training and labor costs for new employees through this innovative wage subsidy opportunity!

- OJTs provide free specialized recruitment and placement of qualified candidates to businesses, while offering job seekers the opportunity to gain valuable work experience, increased skills and employment.
- With OJTs, businesses access serious bottom line savings through wage reimbursement for eligible new hires.
- Public sector, private non-profit and for-profit employers are all considered acceptable for subsidized employment placements.
