## **ISEC INTRODUCES OWN BRAND OF LABORATORY FURNITURE & FUME HOODS**

Englewood, CO - After over 40 years of supplying and installing laboratory furniture as a dealer, ISEC introduces their own brand of laboratory furniture and fume hoods to be available nationwide. Don Shaw, President of ISEC stated "We are doing this to better serve our customers on a national basis, using our knowledge in the woodworking industry to provide innovative quality laboratory furniture products at competitive prices and combined with our traditional ISEC service." The ISEC laboratory furniture product line will include custom wood, laminate-clad, and metal, plus high-performance fume hoods. For more information on this new product please visit the ISEC website, [www.isecinc.com](http://www.isecinc.com)

Founded in 1967, ISEC is a nationally known, award-winning subcontractor and prime trades contractor providing laboratory furniture and equipment, architectural woodwork, ornamental metals, and building specialties to the construction industry. ISEC is continually ranked in the top 50 on ENR's Top 600 Specialty Contractors List with annual revenues of \$300 million and over 1,100 employees nationwide. Corporate headquarters is located in Denver, CO with regional offices in the Los Angeles, Milwaukee, Orlando, Phoenix, San Francisco, San Diego, Seattle, and Washington D.C. areas.
