Profile

Mr. Redente is an audit partner who co-leads of the Life Sciences Industry for Crowe. He has more than 15 years of experience serving public and private companies ranging from start-up to global enterprises with audit, review, attestation and advisory services under U.S. accounting rules and regulations as well as International Financial Reporting Standards.

Professional and Industry Experience

Mr. Redente has extensive industry expertise serving clients in the life science, biotechnology, manufacturing, distribution, technology, software and transportation industries. He also regularly advises clients in initial public offerings, mergers and acquisitions as well as private financing transactions. Mr. Redente's clients include companies located in the United States with significant foreign operations as well as, domestically domiciled entities with foreign ownership and internationally domiciled entities with operations or reporting requirements in the United States.
